| Section 4(2) | N/A | A controller may not require a consumer to create an account for the purpose described in subsection (1) of this section, but the controller may require the consumer to use an account the consumer created previously. | Functional | no relationship | N/A | N/A | N/A | N/A | No requirements to map to. |
| Section 4(3) | N/A | A parent or legal guardian may exercise the rights described in section 3 of this 2023 Act on behalf of the parent's child or on behalf of a child for whom the guardian has legal responsibility. A guardian or conservor may exercise the rights described in subsection (1) of this section on behalf of a consumer that is subject to a guardianship, conservatorship or other protective arrangement. | Functional | no relationship | N/A | N/A | N/A | N/A | No requirements to map to. |
| Section 4(4) | N/A | A consumer may designate another person to act on the consumer's behalf as the consumer's authorized agent for the purpose of opting out of a controller's processing of the consumer's personal data, as provided in section 3 (1)(d) of this 2023 Act. The consumer may designate an authorized agent by means of an internet link, browser setting, browser extension, global device setting or other technology that enables the consumer to opt out of the controller's processing of the consumer's personal data. A controller shall comply with an optout request the controller receives from an authorized agent if the controller receives from an authorized agent if the controller can weify, with commercially reasonable effort, the identity of the consumer and the authorized agent's authority to act on the consumer's behalf. | Functional | intersects with | Authorized Agent | PRI-03.6 | Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions. | 8 | |
| Section 4(5) | N/A | Except as otherwise provided in sections 1 to 9 of this 2023 Act, in responding to a request under subsection (1) of this section, a controller shall: | Functional | no relationship | N/A | N/A | N/A | N/A | No requirements to map to. |
| Section 4(5)(a) | N/A | Respond to a request from a consumer without undue delay and not later than 45 days after receiving the request. The controller may extend the period within which the controller responds by an additional 45 days if the extension is reasonably necessary to comply with the consumer's request, taking indo consideration the complexity of the request and the number of requests the consumer makes. A controller that intends to extend the period for responding shall notify the consumer within the initial 45-day response period and explain the | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |

A controller may charge a reasonable fee to cover the administrative costs of complying with a second or subsequent request within the 12-month period, unless the purpose of the second or subsequent request is to verify that the controller corrected inaccuracies in, or deleted, the consumer's personal data in compliance with the consumer's request. | Functional | intersects with | User Feedback Management | PRI-06.4 | to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(5)(d) | N/A | Notify the consumer if the controller cannot, using commercially reasonable methods, authenticate the consumer's request without additional information from the consumer. A controller that sends a notification under this paragraph does not have to comply with the request until the consumer provides the information necessary to authenticate the request. | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(5)(e) | N/A | Comply with a request under section 3 (1)(d) of this 2023 Act to opt out of the controller's processing of the consumer's personal data without requiring authentication, except that: | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(5)(e)(A) | N/A | A controller may ask for additional information necessary to comply with the request, such as information that is necessary to identify the consumer that requested to opt out. | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, srors, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(5)(e)(B) | N/A | A controller may deny a request to opt out if the controller has a good- faith, reasonable and documented belief that the request is fraudulent. If the controller denies a request under this subparagraph, the controller shall notify the consumer that the controller believes the request is fraudulent, stating in the notice that the controller will not comply with the request. | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the originalizion collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(5)(e)(B) | N/A | A controller may deny a request to opt out if the controller has a good- faith, reasonable and documented belief that the request is fraudulent. If the controller denies a request under this subparagraph, the controller shall notify the consumer that the controller believes the request is fraudulent, stating in the notice that the controller will not comply with the request. | Functional | subset of | Reject Unauthenticated or Untrustworthy Disclosure Requests | PRI-07.4 | Mechanisms exist to reject uneuthenticated, or untrustworthy, disclosure requests. | 10 | |
| Section 4(6) | N/A | A controller shall establish a process by means of which a consumer may appeal the controller's refusal to take action on a request under subsection (1) of this section. The controller's process must: | Functional | no relationship | N/A | N/A | N/A | N/A | No requirements to map to. |
| Section 4(6)(a) | N/A | Allow a reasonable period of time after the consumer receives the controller's refusal within which to appeal; | Functional | intersects with | Appeal Adverse Decision | PRI-06.3 | Mechanisms exist to maintain a process for data subjects to appeal an adverse decision. | 5 | |
| Section 4(6)(b) | N/A | Be conspicuously available to the consumer; | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(6)(c) | N/A | Be similar to the manner in which a consumer must submit a request under subsection (1) of this section; and | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |
| Section 4(6)(d) | N/A | Require the controller to approve or deny the appeal within 45 days after the date on which the controller received the appeal and to notify the consumer in writing of the controller's decision and the reasons for the decision. If the controller denies he appeal, the notice must provide or specify information that enables the consumer to contact the Attorney General to submit a complaint. | Functional | intersects with | User Feedback Management | PRI-06.4 | Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). | 5 | |

(2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary, and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements. | 10 | |
| Section 5(1)(a) | N/A | Specify in the privacy notice described in subsection (4) of this section the express purposes for which the controller is collecting and processing personal data; | Functional | equal | Purpose Specification | PRI-02.1 | Mechanisms exist to ensure the data privacy notice identifies the purpose(s) for which Personal Data (PD) is collected, received, processed, stored, transmitted, shared. | 10 | |
| Section 5(1)(b) | N/A | Limit the controller's collection of personal data to only the personal data that is adequate, relevant and reasonably necessary to serve the purposes the controller specified in paragraph (a) of this subsection; | Functional | equal | Restrict Collection To Identified Purpose | PRI-04 | Mechanisms exist to minimize the collection of Personal Data (PD) to only what is adequate, relevant and limited to the purposes identified in the data privacy notice, including protections against collecting PD from minors without appropriate parental or legal guardian consent. | 10 | |
| Section 5(1)(c) | N/A | Establish, implement and maintain for personal data the same safeguards described in ORS 646.8.622 that are required for protecting personal information, as defined in ORS 646.8.02, such that the controller's safeguards protect the confidentiality, integrity and accessibility of the personal data to the extent appropriate for the volume and nature of the personal data; and | Functional | subset of | Security of Personal Data (PD) | PRI-01.6 | Mechanisms exist to ensure Personal Data (PD) is protected by logical and physical security safeguards that are sufficient and appropriately scoped to protect the confidentiality and integrity of the PD. | 10 | |
| Section 5(1)(d) | N/A | Provide an effective means by which a consumer may revoke consent a consumer gave under sections 1 to 9 of this 2023 Act to the controller's processing of the consumer's personal data. The means must be at least as easy as the means by which the consumer provided consent. Once the consumer revokes consent, the controller shall cease processing the personal data as soon as is practicable, but not later than 15 days after receiving the revocation. | Functional | equal | Revoke Consent | PRI-03.4 | Mechanisms exist to allow data subjects to revoke consent to collect, receive, process, store, transmit, update and/or share their Personal Data (PD). | 10 | |
